### Incident Narratives

#### Title: Original Narrative

**Author:** Colin Miller**Date / Time:** 08/03/2017 15:19 Hrs**Supp #:** 0

On 2 August 2017 at 1430 hours, I, Officer (b) (6), assigned to (b) (7)(E) was dispatched to Building #2001 (EDC) parking lot for a report of damage to a personal vehicle. At approximately 1450 hours I arrived on scene and made contact with (b) (6), who reported her vehicle (2015 Silver Infiniti QX60, displaying PA license plate (b) (6)) was damaged while parked in the EDC parking lot. At 1455 hours (b) (6) provided a written sworn statement.

On her sworn statement, (b) (6) indicated she arrived to work around 0745 hours and did not notice any damage to her vehicle at that time. Upon leaving work at approximately 1430 hours, (b) (6) stated she noticed her vehicle appeared to be keyed on the driver's side from the front fender to rear door.

After taking (b) (6) sworn statement, I took photographs depicting the vehicle's damage. The damage to the vehicle consisted of a scratched single wavy line extending from the driver's side front fender, just forward of the wheel-well and extending to the center portion of the driver's side rear door.

I asked (b) (6) if there were any reason for her to believe the damage may have been done deliberately and at work. She informed me she occupies a (b) (6) in the EDC and is currently involved in an ongoing investigation, therefore there are several individuals who she believes could be responsible for doing the damage to her vehicle. (b) (6) did not identify any specific individual that may have damaged her vehicle.

At 1514 hours, (b) (6) contacted DLA Dispatch and inquired about obtaining surveillance footage of the EDC parking lot in the area and for the duration her vehicle was parked. DLA Dispatch and myself attempted to retrieve possible surveillance footage of her vehicle from earlier that day to no avail. Subsequently, I informed (b) (6) she would have to make a request the following day during business hours, through DLA Dispatch in order for authorized personnel to attempt to retrieve surveillance footage of her vehicle.

On 3 August 2017 at approximately 1300 hours, second shift Watch Commander, Captain (b) (6), (b) (6) and myself reviewed surveillance footage of (b) (6) vehicle parked in the EDC parking lot on 2 August 2017 from 0630 hours to 1430 hours. We did not see any person appear to be damaging (b) (6) vehicle during the entire duration of the camera footage.

At approximately 1400 hours, I contacted (b) (6) via telephone and informed her the surveillance footage from the previous day did not depict any person damaging her vehicle in the EDC

parking lot. (b) (6) wanted to know the times we reviewed the footage, to which I replied from 0630 to 1430 hours. (b) (6) said she was at work by 0600 hours and asked if surveillance footage could be reviewed from 0530 hours to 0630 hours.

Captain (b) (6), reviewed the camera footage showing (b) (6) vehicle from 0530 to 0630 hours and did not see anyone pass by the vehicle. Again, I contacted (b) (6) via telephone and informed her the surveillance video did not show anyone around her vehicle during the hours she requested. I asked (b) (6) if it could have been possible for her to notice the damage to her vehicle prior to leaving her residence for work on 2 August 2017, to which she replied no. Subsequently, I asked (b) (6) if she believed anyone in her neighborhood may have done the damage to her vehicle, to which she replied no.

During our phone conversation, (b) (6) went on to say she believes the damage to her vehicle was done by someone at work due to her involvement in an ongoing federal criminal case. In an attempt to obtain possible persons of interest, (b) (6) did not provide specific information on any individual(s).

Notifications were made to (b) (6), (b) (7)(C) through DLA Police second shift supervision.
